Believe In Me
Bonnie Tyler

G   D   Em   C
You say you dont believe in signs from up above
G   D   Em   C
And you laugh at the thought of putting your faith in stuff like love
G   D   Em   C
You never see the rainbow, you just curse the rain, you say
G   D   Em   C
You wanna believe but its just not worth the pain today

C   D   Em
But thats all fine if thats how you want it to be
C   D   Em
But if youre feeling alone and afraid and you cant breathe

G   D   Em
Believe in me, yeah
G   D   Em
Believe in me, yeah
G   D
Believe in the way I look at you and stand beside you
Em   C
The way I speak the truth, Id never lie to you
G   D   Em
If youd just believe in the things that your eyes cant see
            G
Believe in me
