Belive In Me
Bonnie Tyler

Intro: **G D Am C**

```
     G                         D            Am     C
You say you don t believe in signs from up above
          G
And you laugh at the thought
       D                    Am        C
Of putting your faith in stuff like love

     G                     D                 Am    C
You never see the rainbow, you just curse the rain
      G
You say you wanna believe
          D                   Am      C
But it s just not worth the pain today

  C                       D            Em
But that s all fine if that s how you want it to be
  C                               D
But if you re feeling alone and afraid
                 Em            C
And you can t breathe

        G D  Am    C
Believe in me, yeah
        G D  Am   C
Believe in me, yeah
        C
Believe in
   G
The way I look at you
   D
And stand beside you
   Am
The way I speak the truth
    C
I d never lie to you
  G                          D
If you d just believe in the things
                Am
That your eyes can t see
 C        G
Believe in me

     G                    D              Am
You come and you go and there s never no compromise
       C
```

That s why
```
  G                             D                      Am
```
The seconds and the minutes of the days of your life
```
      C
```
Go crawling by

```
  C                             D                      Em
```
But that s all fine if that s how you want it to be
```
  C                         D
```
But if you re feeling alone and afraid
```
                  Em           C
```
And you can t breathe

REFRÃO 1X

```
  F
```
What ya gonna do when your ship is sinking
```
              C
```
And you re crying out for help and just the seagull s listening
```
        Am
```
In the dark of the night, in the middle of the fight
```
      C                                                 D
```
When you re reaching out for something and there s nothing

```
          G D  Am    C
```
Believe in me, yeah
```
          G D  Am   C
```
Believe in me, yeah
```
      G
```
The way I look at you
```
      D
```
And stand beside you
```
      Am
```
The way I speak the truth
```
        C
```
I d never lie to you
```
  G                             D
```
If you d just believe in the things
```
                      Am
```
That your eyes can t see
```
  C           G
```
Believe in me
