[Intro] **G Em C D**
G Em C D
G Em C D

G
I know just how to whisper
Em
And I know just how to cry
C
I know just where to find the answers
D **G**
And I know just how to lie

G
I know just how to fake it
Em
And I know just how to scheme
C
I know just when to face the truth
G **D**
And then I know just when to dream

G
And know just where to touch you
Em **G**
And I know just what to prove
C
I know when to pull you closer
D
And I know when to let you loose

G
And I know the night is fading
Em
And I know the time s gonna fly
C
And I m never gonna tell you everything I gotta tell you
D
But I know I gotta give it a try

G
And I know the roads to riches
Em
And I know the ways to fame
C
I know all the rules and then I know how break them
D

And I always know the name of the game

C
But I don't know how to leave you

G **Am**
And I'll never let you fall

Em
And I don't know how you do it

C **D** **G**
Making love out of nothing at all

Em
Out of nothing at all

C G D
Out of nothing at all

Bm **G**
Out of nothing at all (making love)

Em
Out of nothing at all (making love)

C **D**
Out of nothing at all (making love)

G
Out of nothing at all

C **D**
Every time I see you all the rays of the sun

G **C**
Are streaming through the waves in your hair

Am
And every star in the sky

Bm **Em**
Is taking aim at your eyes like a spotlight

C **D**
The beating of my heart is a drum and it's lost

G **C**
And it's looking for a rhythm like you

Am **D**
You can take the darkness from the pit of the night

G **C**
And turn into a beacon burning endlessly bright

I gotta follow it

Am
Cause everything I own, now

G **Em C D**
It's nothing till I give it to you

G
I can make you find your power

Em
I can make you lose your fear

C

I can make your body do some very magical things

D

I ll make your inhibitions all disappear

G

I can make tonight forever

Em

Or I can make it disappear by the dawn

C

And I can make you every promise that has ever been made

But I m never gonna make it without you

Do you really wanna see me crawl
