

No Reason

Bonobo

Fm **Bbm**
It s beautiful, and even though
Eb **Db**
I told you so, you know
Fm **Eb**
We d face survival, we re leaving lights on
Cm **Db**
We ll move or go on somehow
Fm **Bbm**
Looking like soldiers waiting to drown
Eb **Db**
And I m not around no more
Fm **Eb**
And looking at people that don t make a sound
Cm **Db**
When music s around, stay warm

Fm **Bbm** **Eb** **Db**
And we ve got no rhyme or no reason now
Fm **Eb** **Cm** **Db**
We ve got the time of our lives now

-- break --

Cm **Db** **Fm** **Eb**
And we ve got no rhyme or no reason now

Fm **Bbm**
It s seasonal, nobody knows
Eb **Db**
We ll make it known somehow
Fm **Eb**
Just you and me, and we can see
Cm **Db**
Small machines and sunrise
Fm **Bbm**
Looking like soldiers waiting to drown
Eb **Db**
And I m not around no more
Fm **Bbm**
Pictures of people that don t make a sound
Eb **Db**
When music s around, stay warm

Fm **Bbm** **Eb** **Db**
And we ve got no rhyme or no reason now
Fm **Eb** **Cm** **Db**

We ve got the time of our lives now
