It Always Reminds me of You  
 By Darden Smith and Boo Hewerdine  
 From the CD: Evidence  
 By Chris (sylcab@dpw.ci.la.ca.us)

CAPO 2

Intro:

D        A        Em        G    A  
 D        A        Em        G    A

Verse:

D            A                            Em                            G    A  
 starin into my.. coffee  
 there s a park .. across from my place

D            A                            Em                            G    A  
 I swear I see your.. face  
 there s A statue over there

D            A                            Em                            G    A  
 A little cream A little sugar  
 we used to go there .. A .walking

D            A                            Em                            G    A  
 stirred up to suit my..taste

but now it s more than I can bear

**G**                    **G**                    **A**                    **A**  
well it s you or the.... coffee that s keeping me A--  
how can I walk.... there all alone

**G**                    **G**                    **A n.C.**                    **A**  
--wake I m gonna fill my cup drink it up start my day cuz It  
past those.... statues made of stone

**G**                    **A**                    **A**                    **G**                    **A n.C.**  
always makes me kinda.. blue It always reminds me of...

Repeat: Intro & Verse

Outro:

**D**                    **A**                    **Em**                    **G**                    **A**  
wow..wow.. ooh...ooh reminds me a little of

**D**                    **A**                    **Em**                    **G**                    **A**  
wow..wow.. ooh...ooh.....

**G**                    **G**                    **A**                    **A**  
loves no deeper than a coffee C---U----P

**G**                    **G**                    **A**                    **A**  
what do you want from me and now that you drunk It up It

**G**                    **A**                    **A**                    **G**                    **A**  
always makes me kinda blue.. It always reminds me of..

**D**                    **A**                    **Em**                    **G**                    **A**  
you...

**D**                    **A**                    **Em**                    **G**                    **A**

Repeat to Fade....

Note: The chords are right except the Chorus where  
the (G is probably (G6) i.e. open 1st and 2nd strings

Note (2) Boo played this song Capo 2  
Darden played this song open
