

## O Kazakhstan

### Borat

Song: O Kazakhstan (Kazakhstan National Anthem)

Artist: Borat (Sascha Baron-Cohen)

Tuning: Standard (EADGBE)

Tab: Bryn Portas, aka Stud\_Muffin

\*DISCLAIMER\* I am in no way racist towards Jews, or Kazakh people. This song is still insanely funny though, and there wasn't a decent tab on here, and I thought I may as well do one. Have fun with it :)
