

Your Suffering Heart
Born Ruffians

[Verse]

E
The ocean s deep
C#m
She knew that much before she had you
E
She s gonna leave and never come back to you
C#m
She ll watch you sleep and know she never satisfied you
You re gonna weep before you grow
A **E**
You got to know she had to go and leave you alone

And in her heart, she s gone
And on and on and on and on
C#m
A deep, dark, homeless ocean sink her to the bottom

Who will fill those holes that she shot straight through you
A **E**
But until then you ll go it alone

A **E** **C#m** **F#m**
You may say you can take it when they break your sufferin heart

G#m **F#** **E**
I guess that s what they call moving on
