You Satisfy Me
Boston Spaceships

[Intro]
(use my intro tab for reference (x4))
A A A A
A A A A

[Verse 1]
A
This gun s a frozen light gun
A   **Bm**
It grows and rail thin all the time
 A
It lives
 A
 Cus I won t claim it s cost now
                          Bm
I like the way it shines
                                A
I keep it glowing all the time

[Chorus]
        D
She goes

Right around
                   A
Druggies in the road
               D
She s got a load

Right around
                 A
Seven in the moan
                Bm
She makes me low
                C#m
She makes me high

[Interlude]
A A A A (repeat intro x2)

[Verse 2]
A
I
A
It s getting cold out
                C#m
Then she goes by now

```
                   E
Turn my lexicon right now

Turn around and watch her go
D
Up and down around the world
                             A
Everywhere she gets me go along
D
I don t want you recognise
D
I don t want your lips licking
C#               Bm
Lies all around her

[Interlude]
A A A A (repeat intro x2)

[Verse 3]
A  Bm      E
I won t cry
                  C#m
Unless you go home
A  Bm     E
I won t shout it
               C#m
Unless you go home
                  Bm
Unless you go bye

[Outro]
(repeat intro throughout)
A
Everywhere the people go
A
That s just what
A
They want to know
A
Who we are
A
Been messing round
A
Give them more
A
Or less than now
A
Locomotive, dynamo
A
Aeroplane or radio
A
Everywhere the people go
```
