{Verse}

We can be blind, but a man tries to see
It takes tenderness
For a man to be what he can be
And what does it mean
If youre weak or strong?
A gentle feelin
Can make it right or make it wrong
What does it take to be a man?

{Chorus}

The will to give and not receive
The strength to say what you believe
The heart to feel what others feel inside
To see what they can see
