

O Fortuna  
Botch

Hey Guys! This is the tab of a cool song originally made by Bach, but i dunno. What i know is, that its easy to play! This version is the way we play it in our band (forbidden tear, the best band in vienna/austria/europe/the world). I am the only guitarist, so this is the version for one: guitar.

Tuning: Drop D, i think they play drop c, but our female singer doesn t want to sing at c.
