

**Onderweg**

**Boudewijn de Groot**

Boudewijn de Groot has been popular in The Netherlands since the 1960 s, and he is still going strong. He scored many hits and a big number one with: Land van Maas en Waal . The strenghts of his songs are also due very much because of their great lyrics, most of them written by his famous song writing partner: Leneart Nijgh, who died on November the 28th 2002.
