

But the sun is snuffed by the curtains

F **C**
Can t someone come untie you?

Am **F** **C**
But there is too much work to do

Am **C**
Yes, they all admire you

C **F** **Em**
You are free

Am
You are already free

G **Gp**
You are alll-already free

Intro x2

C **F** **Em**
You are free from the greed of your culture

Am **G**
You are free from the lust for the luster

C **F** **Em**
of the diamond houses in the city s cluster

Am **G** **Am** **G**
From your own ego, from your own blunder

C **F** **Em**
Yes, you own the stars, you own the thunder

Am **G**
But you have to share it all

C **F** **Em**
Yes, you own the stars, you own the thunder

Am **G**
But you have to share

C **F** **Em**
You are freeeeee

Am
You are already free

G **Gp** **C**
You are alll already free

Credit to Kevin Echlin whose video covering this song helped me figure out some of the chords.

NOTE: His House of Diamonds cover is played differently than the actual song (the number

of times he repeats the intro progression throughout the song is less than the original recording)
