[Intro]

G Em Am D7

[Verse 1]

Em

Well, the light was rust,

C

Em

and the cold was in our knees,

Em

G

and our breath poured out over golden fields

Em

Though I could not know then,

C

Em

we d have but few times like these,

Em

G

with all the good smoke in between

[Instrumental]

Em Am D7

[Verse 2]

Em

Tucked the darkness in,

C

Em

dragged the harrow across the land,

Em

found my fresh start,

G

sowed my wildest dreams

Em

Though I could not know then,

C

Em

I was well in the weeds,

Em

G

a tangled mess, whatever could come next

[Instrumental]

Em Am

[Verse 3]

Am

before the hours took over,

Em G

Am

before the full weight was on our shoulders,

Em Am

before the twilight s cover,

Em G

Am

before I knew time was such a swindler

D7

Ohhh

G

Oh my dear friend,

C G

everything falls to death

Em

We tuck the darkness in,

Am D7

we tuck the darkness in

G

Oh my dear friend,

C G

everything falls to death

Em

We tuck the darkness in,

Am D7

we tuck the darkness in

[Solo]
