

Come Back To Texas
Bowling for Soup

Okay, good song, hilarious band, my first submission. So I saw a few other ways this was written out, I like them, they re just fine, I just wanted to add in my own little change that I thought sounded a bit better and was a bit more comfortable to play. So here it is.

standard tuning, capo on 2nd.

She said she needed a break.

A little time to think.

It s not that easy to take
She went to make a deposit
Then she cleaned out her closet
Guess I ll sit here and wait

For her to come back home (I d wish you come back home)
It shouldn t take very long (so long, so long)
I bet she misses the sunrise
And misses the fruit flies, but I could be wrong

(Pre-Chorus)

(Chorus)

Come back to Texas
It s just not the same since you went away
I bet you missed your exit
And drove on through the Lone-star State
There s a seat for you at the rodeo

Besides the Mexican food sucks north of here anyway
