

**Get Happy**

**Bowling for Soup**

GET HAPPY =)

Tuning: EADGHE

Intro:D5

Verse:

**D5**

She packed her shit and she left for the city

**D5**

On the 8:10 train and I still can't believe it

**C**

**G5**

**D5**

Man, I don't even know how we could let this happen

**D5**

She slammed the door and she gave me the finger

**D5**

And we fell so fast I still can't remember

**D5**

You can read it yourself, it's all in the letter

**C5**

**G5**

**D5**

Man, I don't even know how we could let this happen

Chorus:

**D5**

**G5**

Maybe you're right

**G5**

**A5**

we've had a good time

**A5**

**D5**

**B5**

I'll sit around, you get yourself a new life

**B5**

**G5**

**A5**

**D5**

Go get your spot, go find your smile and get happy

Verse:

**D5**

Heard your back did you find what was missing?

**D5**

Was it just that easy or were you mistaken

**C5**

**G5**

**D5**

Man, I don't even know how we could let this happen

**C5**

**G5**

**D5**

I don't even know how we could let this happen

Chorus:

**D5**

**G5**

Maybe you're right

**G5**

**A5**

We've had a good time

**A5**            **D5**                            **B5**  
I ll sit around you get yourself a new life  
**B5**            **G5**                            **A5**  
Go get your spot, go find your smile  
**A5**            **D5**                            **B5**  
And just let it shine tonight wherever you are  
**B5**            **G5**  
I hope there s a spot (hope there s a spot)  
**A5**  
Save me a smile  
**D5**        **C5**  
And get happy, yeah  
**D5**        **C5**  
Happy, yeah  
**D5**        **C5** **G5**  
Happy, yeah

**D5**            **G5**  
Maybe you re right  
**G5**            **A5**  
We ve had a good time  
**A5**            **D5**                            **B5**  
I ll sit around you get yourself a new life  
**B5**            **G5**                            **A5**  
Go get your spot, go find your smile  
**A5**            **D5**                            **B5**  
And just let it shine tonight wherever you are  
**B5**            **G5**  
I hope there s a spot (hope there s a spot)  
**A5**  
And save me a smile  
**D5**  
And get happy  
**D5**        **G5**  
Get happy, yeah  
**D5**        **G5**  
Get happy, yeah

Verse:

**D5**  
Packed her shit and she left me (find your smile)  
**D5**  
Slammed the door and she gave me (find your smile)  
**D5**  
Guess she s back in the city (find your smile)  
**C5**                            **D5**  
Man, I just hope you re happy
