

Halfway Around The World
Bowling for Soup

Artist: Bowling for Soup
Album: Drunk Enough to Dance
Song: Halfway Around the World

G **D**
Lately i feel so small
C **D**
Or maybe its just that my bed has grown
I never noticed it before but you were there
So how was i to know

Pre-Chorus

Em
That this single bed
C
Was always meant for two
Em
Not just anyone
C **D**
It was meant for me and you

CHORUS

G **D** **Em**
And now your halfway round the world
C
And im just a day behind
Nothin seems to fill the hole
That i have since you left my side
You ll always be my little girl
Though i cant hold you tonight
And now your halfway round the world
And i m just a day behind

I wake up in the night
I turn around and find that you re not there
I just like to watch you sleep and lay by you
I love to feel you near
I think im going crazy
Everyday confusion starts to grow
I never noticed it before
But you were there so how was i to know
