

**Ill Melt With You**  
**Bowling for Soup**

Well everyone, this is a great song (apparently - i don tknow for sure)originally by a band called Modern English. It s a great song and a few other people have done covers: Mest, Jason Mraz, etc. A few adlibs and stuff are left out because i thought is was pretty unnecessary but it s very accurate.

**C** **F**  
Moving forward using all my breath

**C** **F**  
Being friends with you was never second best

**C** **F**  
I saw the world crashing all around your face

**C** **F**  
Never really knowing it was always mesh and lace

Chorus:

**C** **F**  
Iâ€™ll stop the world and melt with you

**C** **F**  
Youâ€™ve seen the difference and itâ€™s getting better all the time

**C** **F**  
Thereâ€™s nothing you and I wonâ€™t do

**C** **F**  
Iâ€™ll stop the world and melt with you

(You should see better)

**C** **F**  
I dream of better lives, the kind which never hates

(You should see more)

**C** **F**  
Trapped in a state of imaginary grace  
(not too sureâ€¦| sounds like â€œyou should know betterâ€•.)

**C** **F**  
And I made a pilgrimage to save this human race  
(You should see more)

**C** \*A stroke for each word\* **F** **F** **F**  
Never comprehending this race has long gone by
