Bowling for Soup

Hey guys!

Trucker Hat - Bowling For Soup

F# **B** **F#**
This is the song that reminds me of my trucker hat
B **F#** **C#**
That I used to wear not to block out the sun
F# **B** **F#**
With a john deere logo and a stain on the back
B **F#** **C#**
From where you laid me out flat one look I was done

Ebm **D** **F#**
And all these things mean nothing to me
G#m
When I m with you I ve got everything
B
I could want and I could need
F#
Even God he would agree
B
You and I were meant to be
C#
It s easy to see

HighE **B**
I ll never go out of style on you
HighE **B**
And nothing really feels the way you do
Ebm **G#m**
Nothing in the world could ever make me look as good
B **C#**
When you fit me like you do

F# **B** **F#**
This is the verse about the Parachute pants
B **F#** **C#**
That I learned to break dance in and thought I was good
F# **B** **F#**
So much for believing the fat guy doesn t win
B **F#** **C#**
get the girl in the end I never thought that I could

And all these things mean nothing to me.....

I ll never go out of style on you...
