

Why Dont I Miss You
Bowling for Soup

B
Remember back at Ryder High

E
Wishing on stars in the Texas sky

C#m
I got your name tattooed

F#
Across my heart how could we lose

B
Back in black when we were hand in hand

E
Two young kids like Jack and Diane

C#m
Falling at the speed of light

F#
Burning up never felt so right

B **F#**
So why I don t miss you

Abm **E**
Tell me what am I supposed to do

C#m **E**
After all the shit that we ve been through

F# **A**
I can t feel a thing

B **F#**
Maybe I was too high

Abm **E**
Maybe I just sobered up too soon

C#m **E**
You re still on the dark side of the moon

F# **A**
And always on my mind

B **F#** **E**
So why don t I miss you

B
So many nights we drove around

E
King and queen of the whole damn town

C#m
Voted most likely to succeed

F#
We were everybody s meant to be

B

Burned out plans to take over the world

E

Did I fuck it up, or did we just get bored

C#m

Kept losing at the same old game

F#

We had our 15 minutes of fame

Abm F#

We took it all the way

C#m

E Em

You can't say we didn't try

B

F#

So why I don't miss you

E

So why don't I miss you

G

Why don't I miss the way you laugh at everything I say

A

Your mom's apple pie always blew me away

G

It's funny how I always write the same old song

A

B

F#

E

I wonder if you ever sing along with me

A

B

F#

E

Sing along with me
