

**There Is  
Box Car Racer**

[Intro]

B F# E F#

[Verse 1]

B F#  
This vacation is useless. These white pills are kind.  
G#m E  
I've given a lot of thought on this 13 hour drive.  
B F  
I miss the grinding concrete where we sat past 8 or 9  
G#m E  
And slowly finished laughing in the glow of our headlights.  
B F#  
I've given a lot of thought to those nights we used to have.  
G#m E  
The days have come and gone; or lives went by so fast.  
B F#  
I faintly remember breathing on your bedroom floor  
G#m E  
where I layed and told you, but you swore you loved me more.

[Chorus]

B F#  
Do you care if I don't know what to say.  
G#m F#  
Will you sleep tonight? Will you think of me?  
B F#  
Will I shake this off; pretend it's all OK?  
G#m F#  
Is there someone out there who feels just like me?

There is...

[Interlude]

B F# E F#

[Verse 2]

B F#  
Those notes you write me; I've kept them all.  
G#m E  
I've given a lot of thought how to write you back next fall.  
B F#  
With every single letter and every single word...  
G#m E  
There will be a hidden message about a boy that loves a girl.

[Chorus]

B F#  
Do you care if I dont know what to say.  
G#m F#  
Will you sleep tonight? Will you think of me?  
B F#  
Will i shake this off; pretend its all OK?  
G#m F#  
Is there someone out there who feels just like me?

There is...

[Bridge]

B F#

G#m F#  
Is there someone out there who feels just like me?

B F#  
Do you care if I dont know what to say.
