Tuning: Standard (Capo on 3rd Fret)

(No Chords)

Whenever I fall at your feet

**Am C Bm E**

I m really close tonight  
And I feel like I m moving inside her  
Lying in the dark  
And I think that I m beginning to know her

**Am C F**

Let it go  
I ll be there when you call

**C G Am F**

And whenever I fall at your feet  
You let your tears rain down on me  
Whenever I touch your slow turning pain

**Am C Bm E**

You re hiding from me now  
There s something in the way that you re talking  
The words don t sound right  
But I hear them all moving inside you

**Am C F**

Go.. I ll be waiting when you call

**C G Am F**

Hey and whenever I fall at your feet  
You let your tears rain down on me  
Whenever I touch your slow turning pain

**C G Am F**

The finger of blame has turned upon itself  
And I m more than willing to offer myself  
Do you want my presence or need my help?  
Who knows where that might lead?

**Am G**

**Am G**

**Am G**

**Am G**

I fall..

**Am G**

**Am G**

Whenever I fall

**D F G**

Whenever I fall

Whenever I
