

Rabbit Song
Boy & Bear

C#m

C#m A
Paged upon the way, as he held his head straight.

 F#m C#m
Making plans, upon the favourite and their foes.

C#m A
Turn to rest, as he stood upon his nest,

 F#m C#m
Taking chance upon a chest that beat him dry.

C#m
Keep my soul my head s not coming back.

E F# C#m
Keep my soul my head s not coming back.

E F# X3

C#m F#
Now I don t intend to be the fallen one,

 E
I ll fight to keep them whole,
 F#

I ve watched them a-dance upon the ceiling,
To complete their song.

C#m F#
It s not enough my friend to relegate,

 E
Let s keep them on their toes,
 F#

Let s keep the bigots from their properties,
Let s keep the rabbits in their homes.

A E F#
Oh, and all alone.
The rabbits in their homes.

A E F#
Oh, and all alone.
The rabbits in their homes.

A E F#
Oh, and all alone.
The rabbits in their homes.

A E F#
Oh, and all alone.
