[Verse 2]

I saw the light from a kettle gun

16 days under a Southern Sun

And there were times when I thought that

I wouldn t mind it if I lost my mind out there

You wouldn t believe me if I told you so

The things I saw were enough to make the man in me a man in me

Mmm make a man of me

[Chorus 2]

F

So come on, come on Iâ€™m ready now

G

Go get your things out honey, letâ€™s get ready to roll...

F

Oh I can feel the wave coming over me

G

Iâ€™ve been waiting for this day too long just to let it all go...

[Bridge]

F

As a child I was wonder-eyed

Am

At the thought that I might know

F

C

G

A life in the ecstasy of rockâ€™n roll O-oh-oh ...

F

Now taking it slow... Iâ€™m an arrow in a bow...

G

Youâ€™d think that I would know... What it is that makes me roll...

[Chorus]

F

So come on, come on I m ready now

G

I got the feeling honey like I m ready to roll... [ohhh]

F

You see Iâ€™m not gonna wait till the end of me

G

Cause I got the burning fire in the bed of my soul [ahhhh ohhh]
