

Pretty Lies

Boy George

Am **G**
I can never get this muck from round my eyes
Am **Dm**
Dunno why I bother sometimes
C
Painting my face up, for the kill
Am **G**
A little bit of glitter goes a long, long way
Am **Dm**
But if you never see my face
C
How will you know if you feel is real

F **G**
I ve been trying to be something, I ll never be
F **Am**
But I m nothing special, there s no mystery
F **G**
I ve been hiding from the world, and from myself
F **Am**
Wanting love so desperately, oh so desperately

C **G** **Em**
If you see all the hurt in my eyes
F **Am** **F**
Will you laugh, will you run, will you carry me
C **G** **Em**
If I tell you that I m weak and I m scared
Am **F**
Will that seem absurd
G **F** **C**
I m the loneliest girl in the world
