

July

Boy

Boy - July

[Verse]

A

Take off your shoes now

D

You ve come a long way

E

You ve walked all these miles

A

And now you re in the right place

A

This is your party

D

Everyone came

E

Everyone s smiling

A

And singing your name

A

And the nightmares and monsters

D

And your biggest fears

E

Seem like years away

D

No, they won t find you here

[Refrain]

A

I ll hold your head my dear

D

Make sure no one s gonna wake you

A

Tomorrow you ll still be here

D

No matter where your dreams will take you

E

And you realize

D

All the falls and flights

E

All the sleepless nights

D

All the smiles and sighs

E

They brought you here

D

A

They only brought you home

A A D E

[Verse]

A

Put down this suitcase

D

This weapon of yours

E

The struggle is over

A

You don't need it no more

A

You can't remember lonely

D

You forgot about bored

E

And nothing's the same

A

Since you walked through this door

A

This roof is a blanket

D

That's keeping you warm

E

Inside the silence

D

After the storm

[Refrain]

A

I'll hold your head my dear

D

Make sure no one's gonna wake you

A

Tomorrow you'll still be here

D

No matter where your dreams will take you

E

And you understand

D

This never ending dance

E

This fight will face and change

D

Now it all makes sense

E

It brought you here

D

It only brought you

A

Only brought you

A

Only brought you

D

A

Only brought you home
