Title: //Breathe//
Artist: //Boyce Avenue//

Capo 1

Verse:

```
  G                      D               C9
I see your face in my mind as I drive away,
 G                                 D          C9
 Cause none of us thought it was gonna end that way.
G
People are people,
     D              C9
And sometimes we change our minds.
G                            D           C9
But it s killing me to see you go after all this time.
```

Interlude:

```
G        D       C9
Mmm.. .. Mmm.. .. Mmm.. ..
G        D       C9
Mmm.. .. Mmm.. .. Mmm.. ..
```

Verse:

```
G                        D-Dsus        C9
Music starts playin  like the end of a sad movie
G                          D-Dsus         C9
It s the kinda ending you don t really wanna see
           G              D-Dsus         9
 Cause it s tragedy and it ll only bring you down
    G                   D-Dsus          C9      Dsus-D-Dsus
Now I don t know what to be without you around
