Drops Of Jupiter - Boyce Avenue

Capo 10.

[Verse 1]

**C**  
Now that she's back in the atmosphere  
**G** **F**  
With drops of Jupiter in her hair, hey, hey  
**C**  
She acts like summer and walks like rain  
**G** **F**  
Reminds me that there's time to change, hey, hey  
**C**  
Since the return from her stay on the moon  
**G** **F**  
She listens like spring and she talks like June, hey, hey

[Chorus]

**G** **D**  
Tell me did you sail across the sun  
**F** **C**  
Did you make it to the Milky Way to see the lights all faded  
And that heaven is overrated  
**G** **D**  
Tell me, did you fall for a shooting star  
**Dm**  
One without a permanent scar  
  
And did you miss me while you were looking at yourself out there

[Verse 2]

**C**  
Now that she's back from that soul vacation  
**G** **F**  
Tracing her way through the constellation, hey, hey  
**C**  
She checks out Mozart while she does tae-bo  
**G** **F**  
Reminds me that there's time to grow, hey, hey  
**C**

Now that she's back in the atmosphere

**G** **F**  
I'm afraid that she might think of me as plain ol' Jane  
Told a story about a man who is too afraid to fly so he never did land

[Chorus]

**G** **D**  
Tell me did the wind sweep you off your feet  
**F** **C**  
Did you finally get the chance to dance along the light of day  
And head back to the Milky Way

**G** **D**  
And tell me, did Venus blow your mind

**Dm**  
Was it everything you wanted to find

And did you miss me while you were looking for yourself out there

[Verse 3]

**C**  
Can you imagine no love, pride, deep-fried chicken  
**G** **F**  
Your best friend always sticking up for you even when I know you're wrong

**C** **G**  
Can you imagine no first dance, freeze dried romance five-hour phone  
conversation

**F**  
The best soy latte that you ever had . . . and me

[Chorus]

**G** **D**  
Tell me did the wind sweep you off your feet  
**F** **C**  
Did you finally get the chance to dance along the light of day  
And head back toward the Milky Way

[Chorus]

**G** **D**  
Tell me did you sail across the sun  
**F** **C**  
Did you make it to the Milky Way to see the lights all faded  
And that heaven is overrated

**G** **D**  
Tell me, did you fall for a shooting star

**Dm**  
One without a permanent scar

And did you miss me while you were looking at yourself out there
