

Firework
Boyce Avenue

Verse 1:

D **A**
Do you ever feel like a plastic bag
Bm **G**
Drifting through the wind, wanting to start again?
D **A**
Do you ever feel, feel so paper thin
Bm **G**
Like a house of cards, one blow from caving in?

D **A**
Do you ever feel already buried deep?
Bm **G**
Six feet under screams but no one seems to hear a thing
D **A**
Do you know that there s still a chance for you
Bm **G**
Cause there s a spark in you?

Pre-Chorus:

D **A** **Bm** **G**
You just gotta ignite the light and let it shine
D **A** **Bm** **G**
Just own the night like the 4th of July

Chorus:

D **A**
Cause baby, you re a firework
Bm **G**
Come on, show em what you re worth
D
Make em go, oh
A **Bm-G**
As you shoot across the sky

Verse 2:

D **A**
You don t have to feel like a waste of space
Bm **G**
You re original, cannot be replaced
D **A**
If you only knew what the future holds
Bm **G**

After a hurricane comes a rainbow

D **A**
Maybe you're reason why all the doors are closed
Bm **G**
So you could open one that leads you to the perfect road
D **A**
Like a lightning bolt, your heart will blow
Bm **G**
And when it's time, you'll know

Repeat Pre-Chorus

Repeat Chorus

D
Boom, boom, boom
A **Bm** **G**
Even brighter than the moon, moon, moon
It's always been inside of you, you, you

Repeat Pre-Chorus
