[Primeira Parte]

Bbm Ab
Aren t you somethin to admire
Ebm Gb
Cause your shine is somethin like a mirror
Bbm
And I can t help but notice
Ab Ebm
You reflect in this heart of mine
Bbm Ab
If you ever feel alone and
Ebm Gb
The glare makes me hard to find
Bbm
Just know that I m always
Ab Ebm
Parallel on the other side

Gb Bbm
Cause with your hand in my hand
Ab
And a pocket full of soul
Ebm Gb
I can tell you there s no place we couldn t go
Bbm
Just put your hand on the glass
Ab
I m here tryin to pull you through
Ebm Gb
You just gotta be strong

[Refrão]

Db
Cause I don t wanna lose you now

Ab Gb
I m lookin right at the other half of me
Db
The vacancy that sat in my heart
Ab Gb
Is a space that now you hold
Db
Show me how to fight for now
Ab Ebm
And I ll tell you, baby, it was easy
Bbm Db
Comin back into you once I figured it out
Ab Gb
You were right here all along

Db Ab
It s like you re my mirror
Gb
My mirror staring back at me
Db Ab
I couldn t get any bigger
Gb
With anyone else beside me
Db
And now it s clear as this promise
Ab
That we re making
Ebm Bbm
Two reflections into one
Db Ab
Cause it s like you re my mirror
Gb
My mirror staring back at me

Staring back at me

[Segunda Parte]

Bbm Ab
Aren t you somethin , an original
Ebm Gb
Cause it doesn t seem merely assembled
Bbm
And I can t help but stare, cause
Ab Ebm
I see truth somewhere in your eyes
Gb
Ohhh
Bbm Ab
I can t ever change without you
Ebm Gb
You reflect me, I love that about you
Bbm

And if I could, I
Ab Ebm
Would look at us all the time
Gb Bbm
Cause with your hand in my hand
Ab
And a pocket full of soul
Ebm Gb
I can tell you there s no place we couldn t go
Bbm
Just put your hand on the glass
