C# G#m
that we can t do this no more

(the chords repeat the same way)

But baby there you again, there you again making me love you
Yeah I stopped using my head, using my head let it all go
Got you stuck on my body, on my body like a tattoo
And now i m feeling stupid, feeling stupid crawling back to you
So I cross my heart, and I hope to die, that i ll only stay with you one more
night
And I know i ve said it a million times
But i ll only stay with you one more night

Trying to tell you no, but my body keeps on telling you yes
Trying to tell you stop, but your lipstick got me so out of breath

I d be waking up, in the morning probably hating myself
And i d be waking up, feeling sastified but guilty as hell

But baby there you go again, there you go again making me love you
Yeah I stopped using my head, using my head let it all go
Got you stuck on my body, on my body like a tattoo
And now i m feeling stupid, feeling stupid crawling back to you
So I cross my heart, and I hope to die, that i ll only stay with you one more
night

And I know i ve said it a million times
But i ll only stay with you one more night

Yeah baby give me one more night
Yeah baby give me one more night
Yeah baby give me one more night

But baby there you again, there you again making me love you
Yeah I stopped using my head, using my head let it all go
Got you stuck on my body, on my body like a tattoo
Yeah, yeah, yeah, yeah

So I cross my heart, and I hope to die, that i ll only stay with you one more
night
And I know i ve said it a million times
But i ll only stay with you one more night

(yeah baby give me one more night)

So I cross my heart, and I hope to die, that i ll only stay with you one more
night
And I know i ve said it a million times
But i ll only stay with you one more night
