Verse:

Em D Cadd9 G

Girl

Em D Cadd9 G

Ooh

Em

High school she was that girl that

D Cadd9 G

make me do the hula hoop around the gym

((and just go along with this pattern for the whole song))

High school she was

That girl that make me do the hula hoop around the gym

(Just to get a peek again, she s a 10)

Never thought that she would come and work for the president

Mr. George Washington (where my money at?)

She thought he d call (where my money at?)

She had a good day, bad day, sunny day, rainy day

All he wanna know is is (where my money at?)

Closed legs don t get fed, go out there and make my bread

All he wanna know is (where my money at?)

She ended up in a road car, bruised up, scarred hard

All he wanna know is (where my money at?)

She thought he d call (where my money at?)

[Chorus: Akon (x2)]

See I mma tell you like Wu told me

Cash rules everything around me

Singin dollar dollar bill y all (dollar, dollar bill y all)

Singin dollar dollar bill y all (dollar, dollar bill y all)

[Verse 2: (Akon)]

Pimpin got harder cos, hoes got smarter

On the strip is something they don t wanna be a part of

Rather be up in the club shakin for a thug

For triple times the money and spending it like they wanna

They got they mind on they money, money on they mind

They got they finger on the trigger, hand on the nines

See everyday they feel the struggle, but staying on they grind
And ain t nobody takin from us, and that s the bottom line

But I know there s a drop in the block
You move slow
You getting pressure from cops
you don t know not to lay low
Because 25 to life is no joke
To all my real gorillas thuggin
On top of corners every day strugglin
All the beautiful women getting money
Washin them dollar bills like laundry

[Chorus: Akon (x2)]

Cos I ma tell you like Wu told me
Cash rules everything around me
Singin dollar dollar bill y all (dollar, dollar bill y all)
Singin dollar dollar bill y all (dollar, dollar bill y all)
