[C]
The cars pass by outside
[F]
From one sign to the next
[Am] [F]
She tries to listen, tries to care,

Pretending he knows best

[C]
She's afraid of what she's done
[F]
Not knowing what it is,
[Am] [F]
She prays for something, prays for his sins,

Someday she'll find rest

[Am]
But the time is never right,
[G]
No it's never right,
[C] [F]
To step outside her life

[Am] [G]
To find what's been lost

She'll sleep on it tonight

Back to Intro:

[C]
A voice she left behind,
[F]
Tells her that there's time
[Am] [F]
She bears the burden, blames her own sin

Hopes she'll change her mind

[C]
The pain that never hides,
[F]
A reflection from inside
[Am] [F]
She conceals the message, buries her head,

Tells herself she's fine

[Am]
But her eyes, they say goodbye
[G]
No, they never lie
[C] [F]
The windows to her life

[Am] [G]
To find, what's been lost,

She'll sleep on it tonight

[C] [C] [G] [Am] [F]
Oh, She ll sleep on it tonight

[C] [G] [Am] [F]

[C] [G] [Am] [F]
Oh, She ll sleep on it tonight

[C] [G] [Am] [F]

[C] [G] [Am] [F]
She feels alive without a reason

[C] [G] [Am] [F]
Love, pain, tonight, she finally listens

[C] [G] [Am] [F]
She comes alive, without a reason

[C] [G] [Am] [F]
Love, faith, tonight, she finally listens
