Tuning: Standard

Intro: **Am**, **C**

Verse #1:

Am

Your love s a gathered storm

I chased across the sky

C

A moment in your arms

became the reason why

Am

And you re still the only light

that fills the emptiness

C

The only one I need

until my dying breath

Pre-Chorus #1:

Am

And I would give you everything

G

just to Feel your open arms

F

And I m not sure I believe

anything I feel

Chorus:

C

Am

And now, now that you re near

F

There s nothing more without you

C

Without you here

Interlude: **Am, C**

Verse #2:

Am

And I m trying to believe

In things that I don t know

C

The turning of the world

The color of your soul

Am

That love could kill the pain

Truth is never vain

Pre-Chorus #2:

C

It turns strangers into lovers

Am

And enemies to brothers

G

Just say you understand

F

I never had this planned

Chorus:

C

Am

And now, now that you re near

F

There s nothing more without you

C

Without you here

Am

Without you here

F

There s nothing more without you

C

Without you here

Bridge:

C

My head lies to my heart

And my heart it still believes

Am

It seems the ones who love us are the ones

That we deceive

F

But you re changing everything

C

You re changing everything in me

Chorus
