

**Contagious**

**Boys Like Girls**

Intro:

I m flying down the fast lane

Doing ninety-five, ninety things on my brain

Don t know where the hell I m going

But, I m going after you

**A D**

I m jumping on the last train

**Bm**

**A**

Got this crazy kind of feeling that I cant explain

**D**

Don t know where the hell I m going

**Bm**

**A**

**G**

**A**

But, I m going after you

**A**

And I know you think I m crazy

**G**

And I dress up like I m poor

**A**

I don t do dinner and movies

**G**

**A(pause)**

But if I showed up at your door

**D**

Would you give me one more minute

**A**

The story s far from finished

**Bm**

We could fill in all the pages

**G**

I m feeling sick

**A**

Girl, you re so contagious

**D**

Just wanna say I miss you

**A**

I caught it when I kissed you

**Bm**

And Ive been through all the stages

**G**

I m feeling sick

**A**

Girl, you re so contagious

**G** (Pause)

I m feeling sick

Girl you re so contagious

**A D**

It was raining on a Wednesday

**Bm**

**A**

Doing ninety-five ninety things left to say

**D**

Told myself to keep on driving

**Bm**

**A**

**G**

**A**

Cause I left my heart with you

**D**

I never thought that I could walk away

**Bm**

**A**

Every second I m regretting that I didn t stay

**D**

How could I just keep on driving

**Bm**

**A**

**G**

When I left my heart with you

**A**

You think all my friends are crazy

**G**

And I know you hate my car

**A**

Well, I don t drive a Mercedes

**G** **A** (pause)

Would it be that hard

To **D**

Would you give me one more minute

**A**

The story s far from finished

**Bm**

We could fill in all the pages

**G**

I m feeling sick

**A**

Girl, you re so contagious

**D**

And Ive been through all the stages

**G**

I m feeling sick

**A**

Girl, you re so contagious

**G** (Pause)

I m feeling sick

Girl you re so contagious

**G**

How can I get a second chance

**F#**

I don t want you slippin out my hands

**Bm**

Maybe the words will come out right

**A**

They sound alright

**G**

Just hear me out before I go

**F#**

Things that I wanted you to know

**Bm**

Just let me in tonight

**A**

And I won t let you down

(palm mute)

Would you give me one more minute

The story s far from finished

We could fill in all the pages

**G** (pause)

I m feeling sick

Girl, you re so contagious
