

Go

Boys Like Girls

This is my first tab. It s a very simple version of the song, and I m quite sure it s

how BLG plays it, but it sounds very right :)

Intro: C G Am F

C G
 Little change of the heart, little light in the dark,
 Am F
 Little hope that you just might find your way up out of here.
 C G
 cause you ve been hiding for days, wasted and wasting away,
 Am F Am
 but I got a little hope today you ll face your fears.
 G Am
 yea I know its not easy, I know its hard,
 G
 follow the lights to this city .

Get up and go **c**

G
 Take a chance and be strong,
 Am F
 or you could spend your whole life holding on.
 C
 Don t look back just go.
 G
 take a breath move along,
 Am F
 or you could spend your whole life holding on,
 Am F
 you could spend your whole life holding on.

believe the tunnel can end, believe your body can mend,
yea I know you could make it through cause I believe in you.
so lets go put up a fight, lets go make everything alright,
go on and take a shot go give it all you got.
oh yea I know its not easy, I know that it s hard,
know that its not always pretty.
