

If You Could See Me Now
Boys Like Girls

G D G A
G D Em A

G A D
The nights grow cold
G A D
I m growin older
G A D
Every day you re gone
Em A
Is more lonesome then the last one
G A D
I ve spent all this time
G A D
Without you in my life
G A D
And you re still on my mind
Em A
And nothing ever feels alright
G Em
I m tired of being alone
G Bm
Why don t you just come home?
G Bm
Because I miss you so
A
And I want you to know

D A G
If you could see me now
D A G
We could move on somehow
Em
If you could drive along for miles a day
A
Between us long ago
D A G
If you could just see me now
D A G
You wouldn t have a doubt
Em
We could just start this love all over
A
And forget the things we know
D A G
If you could see me now

A

(Somehow)

G A D
Everything I said

G A D
Wasn't what I meant

G A D
I hope you can forget

Em A
And I can leave all my regrets

G A D
Behind tonight

G A D
Get your flight to Boston

G A D
And come start a new life

Em A
And this time we can do it right

G Em
I'm tired of being alone

G Bm
Why don't you just come home?

G Bm
Because I miss you so

A
And I want you to know

D A G
If you could see me now

D A G
We could move on somehow

Em
If you could drive along for miles a day

A
Between us long ago

D A G
If you could just see me now

D A G
You wouldn't have a doubt

Em
We could just start this love all over

A
And forget the things we know

D A G Bm A
If you could see me now

Somehow

[Guitar solo]

G A G Bm A

D A G

If you could see me now

D A G

We could move on somehow

Em

If you could drive along for miles...

D A G

If you could see me now

D A G

We could move on somehow

Em

If you could drive along for miles a day

A

Between us long ago

D A G

If you could just see me now

D A G

You wouldn't have a doubt

Em

We could just start this love all over

A

And forget the things we know

D A G

If you could see me now
