

**Learning To Fall**  
**Boys Like Girls**

Standard/Half step down  
Which ever you prefer

**Em7**                    **Cadd9**  
Today is the day  
         **G**                    **D**  
The worst day of my life  
**Em7**                    **Cadd9**  
You re so content it hurts me  
         **G**                    **D**  
I don t know why  
**Em7**                    **Cadd9**  
The cost of misery  
         **G**                    **D**  
Is at an all time high  
         **Em7** **Cadd9**  
I keep it hidden  
         **G**                    **D**  
Close to the surface in sight

**G**  
I m learning to fall  
         **D/F#**  
I can t hardly breathe  
         **Em7**                    **Cadd9**  
When I m going down don t worry about me  
         **G**  
Don t try this at home  
         **D/F#**  
You said you don t see  
         **Em7**                    **Cadd9**  
I don t want to know that you know

(Palm mute this part)

**Em7**                    **Cadd9**  
Could you be with him?  
         **G**                    **D**  
Or was it just a lie?  
**Em7**                    **Cadd9**  
He doesn t get you like I do  
         **G**                    **D**  
And you don t know why  
**Em7**                    **Cadd9**  
You change your clothes and your hair

**G**

**D**

But I can't change your mind

**Em7 Cadd9**

Oh, I'm uninvited

**G D/F#**

So unrequited this time

**G**

I'm learning to fall

**D/F#**

I can't hardly breathe

**Em7**

**Cadd9**

When I'm going down don't worry about me

**G**

Don't try this at home

**D/F#**

You said you don't see

**Em7**

**Cadd9**

I don't want to know that you know

It should have been

(Palm mute again)

**Em7**

**Cadd9**

Words screaming in my head

**G**

**D**

Why did you leave?

**Em7**

And I can't stop dreaming

**Cadd9**

Watching you and him

**G**

**D**

When it should have been me

**Em7**

**Cadd9**

Today is the day

**G**

**D**

The worst day of my life

**G**

I'm learning to fall

**D/F#**

I can't hardly breathe

**Em7**

**Cadd9**

When I'm going down don't worry about me

**G**

Don't try this at home

**D/F#**

You said you don't see

**Em7**

**Cadd9**

I don t want to know that you know

**G**

I m learning to fall

**D/F#**

I can t hardly breathe

**Em7**

**Cadd9**

When I m going down don t worry about me

**G**

Don t try this at home

**D/F#**

You said you don t see

**Em7**

**Cadd9**

I don t want to know that you know

**G**

It should have been me
