Em/C/G/D standard tuning

Em C  
Where were you the day they stole our innocence?  
G D  
And arranged a sacrifice for everyone in town.  
Em C  
To bore the words yet to be written underground  
G D  
To save the money on the kerosene they need.  
Em C  
Were you awake or were you sleeping?  
G D  
Or just too afraid to disagree?

Em C  
Well I don t wanna sing about freedom anymore.  
G  
I wanna see it! I wanna feel it!  
D  
I wanna know that it still sits beyond

Em  
the lies that we ve been told  
C  
beyond the wars that keep our families from home,  
G  
I know that there s a way.  
D  
Dear God, let there be a way  
C D  
to change the path we re on (path we re on).  
Em  
..and believe in a better day.
