

It's so hard to say goodbye to yesterday
Boyz II Men

E B A B E
How do I say goodbye to what we had?

A E
The good times that made us laugh
B
Outweigh the bad.

E G#7
I thought we'd get to see forever

C#m C#m7/B A Am
But forever's gone away
E B A Am
It's so hard to say goodbye to yesterday.

E B
I don't know where this road

A B E
Is going to lead
A E
All I know is where we've been
B
And what we've been through.

E G#7
If we get to see **C#m C#m7/B A Am**
I hope it's worth all the wait

E B A Am
It's so hard to say goodbye to yesterday.

E G#7
And I'll take with me the memories

C#m C#m7/B A Am
To be my sunshine after the rain
E B A Am
It's so hard to say goodbye to yesterday.

E G#7
And I'll take with me the memories

C#m C#m7/B A Am
To be my sunshine after the rain
E B A Am
It's so hard to say goodbye to yesterday.
