STANZA I:

**G9**  
Our love has changed  
**G9**  
It s not the same  
**C9**  
And the only way to say it  
**C9**  
Is say it  
**G9** **D** pause  
It s better  
**G9**  
I can t conceal  
**G9**  
This way I feel  
**C9**  
For all the times we ve spent together  
**C9**  
Forever  
**G9** **C**  
Just gets better

CHORUS I:

**G**  
See what I m trying to say is  
**G**  
You make things  
**C**  
Better  
**G**  
And no matter what the day is  
**G**  
With you here

**C** **D** pause  
It s better

(use STANZA I chords)  
I stand by you  
If you stand by me  
I think it s time that I reveal it  
Cause I believe it  
It s better

(use CHORUS I chords except last line chords)  
See what I m trying to say is  
You make things  
Better  
And no matter what the day is  
If you re here  
**C** --  
It s better

**D C D C D G**  
Oh the more I talk to you  
**D C D C D**  
I fall in love with  
**C D C D G**  
Everything you do

O-oh

See what I m trying to say is  
You make things  
Better  
And no matter what the day is  
With you here  
It s better

Our love has changed  
It s not the same  
And the only way to say it is say it  
It s better
