

# Every Day I Love You

Boyzone

[Verse]

I don t know, but I believe  
That some things are meant to be  
And that you ll make a better me  
Everyday I love you

I never thought that dreams came true  
But you showed me that they do  
You know that I learn something new  
Everyday I love you

[Chorus]

Cos I believe that destiny  
Is out of our control (don t you know that I do)  
And you ll never live until you love  
With all your heart and soul.

[Verse]

It s a touch when I feel bad  
It s a smile when I get mad  
All the little things I am  
Everyday I love you

[Chorus]

Cos I believe that destiny  
Is out of our control (don t you know that I do)  
And you ll never live until you love

With all your heart and soul.
