

**Til The Sun Goes Down**  
**Boyzone**

Capo II

Intro: **F#m E D**  
**F#m Bm F#m**  
Some days it hits you like a tons of water  
**Bm F#m**  
All the sons and daughters  
**E D**  
It s a crying shame  
**F#m Bm F#m**  
Count your blessings as you re going under  
**Bm F#m**  
How it make you wonder  
**E D D A**  
Will it ever change

**Bm**  
Fix a broken coffee cup  
**D E**  
The never ending washing out won t wait

[Chorus:]  
**D A**  
Why do we cry when we hear hallelujah  
**E**  
It does something to you  
**D**  
Each and every lines  
**D A**  
So we all rise till we all stand together  
**E**  
Each and every one  
**D**  
Somewhere we belong  
**F#m E D**  
Till the sun goes down

**F#m Bm F#m**  
Everybody needs someone to hold  
**Bm F#m E D**  
And cause nobody told them it would be this way  
**A D A**  
If for a moment we could taste the glory  
**D A**  
And forget our worries  
**E D**

Let the evening fade

[Chorus]

**D**                                  **A**  
Why do we cry when we hear hallelujah  
                                  **E**  
It does something to you  
                                  **D**  
Each and every lines  
          **D**                                  **A**  
So we all rise till we all stand together  
                                  **E**  
Each and every one  
                                  **D**  
Somewhere we belong  
          **F#m**  **E**      **Bm**  
Till the sun goes down

**Bm**  
Bruised by every consequences  
          **D**                                  **E**  
So we re all sitting on the fence these days  
**Bm**  
Fix a broken coffee cup  
          **D**                                  **E**  
The never ending washing out won t wait

[Chorus]

**D**                                  **A**  
Why do we cry when we hear hallelujah  
                                  **E**  
It does something to you  
                                  **D**  
Each and every lines  
          **D**                                  **A**  
So we all rise till we all stand together  
                                  **E**  
Each and every one  
                                  **D**  
Somewhere we belong  
          **F#m**  **E**      **D**  
Till the sun goes down
