

Harbour Lights Boz Scaggs

Cmaj9

Son of a Tokyo Rose I was bound to wander from home

Dm7 G

Stranger to whatever I'd awaken to

Spun the wheel took a shot in the dark

One way ticket and a runaway heart

Sailors dream came true the night I dreamed of you

Through the neon doorways down the stoney streets I fell

Dm7 G

all hands high side all eyes a wreck I followed

Sailing shadows reds and blues curtains drawn but I saw through

that brings me back to you my love to you my love to you my love

My eyes must be betraying but that lonesome jukebox playing
somethin' bout the harbour lights is callin' me

back to some Jamaican bay doesn't seem so far away
Keep the change but I'll repay these memories

Dawn came in this morning like some old junked out melody
The word she spoke as we awoke still haunts me

What you feel too won't reveal you let me steal you from my life.
