that brings me back to you my love to you my love to you my love

My eyes must be betraying but that lonesome jukebox playing
somethin bout the harbour lights is callin me

back to some Jamaican bay doesn t seem so far away
Keep the change but I ll repay these memories

Dawn came in thos morning like some old junked out melody
The word she spoke as we awoke still haunt me

What you fee too won t reveal you let me steal you from my life.
