Dont Mine At Night
Brad Knauber

Some of my students are big Minecraft fans and wanted to learn this song. So I wrote
out a (very) bare-bones version for them.

Capo on the 4th
Or Play **B**, **F#**,**G#m**, **E**

G
Got my helmet on my head
D
Figure out what that zombie said
Em
Lava all over the room
C
Gotta half heart left, man, I am doomed

G
Don t have any iron bars
D
Pick just broke into some shards
Em
Scary noise what should I do
C
Go left or right I ll have to choose

G   **D**
Visions of last time, flash inside my mind
Em   **C**
I m scared, OH WELL
G   **D**
And I m pretty sure, there s a big creeper
Em   **C**
Right there! (Dang)

(Don t mine at night)
G
I know your lookin at that cave
D
And your feelin kinda brave.
Em   **C**
Go to bed you ll be alright

(Don t mine at night)

```
G
There s nothing that is gonna  change
D
If you just wait until the day
Em                               C
Zombie wanna  eat your brains

3 wool and 3 wooden planks

(Don t mine at night)
