

This Is My Biome

Brad Knauber

This is my first tab and ALL these chords are according to a capo on the fourth fret.

Also, this is a Minecraft parody of payphone by Maroon 5.

I have no permission from Mojang, Bebobvox, or YJ Studios...

I m not sure of any mistakes, so let me know! Peace Out! ;)

Cadd9

This is my biome

G

It s what I call home

Em7

Dsus4

All of my time I ve spent building you

Cadd9

From the moment of spawn

G

Em

D

Whenever I log on I know it will always be me and you

Cadd9

And it was cold like December

G

The wasteland you used to be

Em7

But I put you at the center

Dsus4

Now you re beautiful I agree

Cadd9

Now it s too late to keep playin

G

Time to log off for the night

Cadd9

I d never call that time wasted

Dsus4

Cadd9

And I ll be right back when it s bright

G

I ve spent all of my time

Em7

I ve put up the lights

Dsus4

There s no end in sight

Cadd9

Think I m doin it right

G

I ll never be done

Em7

Even when the sun sets

Dsus4

I ll be here all night

Cadd9

This is my biome

G

It s what I call home

Em7

Dsus4

All of my time I ve spent building you

Cadd9

From the moment of spawn

G

Em7

Dsus4

Whenever I log on I know it will always be me and you

Cadd9

G

And If I ever lose you then that s it

Em7

Dsus4

So Imma save your file I ll never miss

Cadd9

G

And all those other worlds will never get

Em7

Dsus4

I wish you had some lips that I could kiss

Cause this is my biome

Cadd9

G

Can t wait to get on tomorrow I d never miss one single day

Em7

Dsus4

Because it s me and my biome Never think of going away

Cadd9

Dsus4

You can expect me to mine There s a good feeling in the air

Em7

Cadd9

And I m always hoping to find some diamond so I m goin ...

G

I ve spent all of my time

Em7

I ve put up the lights

Dsus4

There s no end in sight

Cadd9

Think I m doin it right

G

I ll never be done

Em7

Even when the sun sets

Dsus4

I ll be here all night

Cadd9

This is my biome

G

It s what I call home

Em7

Dsus4

All of my time I ve spent building you

Cadd9

From the moment of spawn

G Whenever I log on I know it will always be me and you

Cadd9 And If I ever lose you then that s it

Em7 So Imma save your file I ll never miss

Cadd9 And all those other worlds will never get

Em7 I wish you had some lips that I could kiss

Cause this is my biome

Cadd9

Man, let me tell you one thing

G

It s kind of creepy how much I love my biome to you I m gonna cling

Em7

Forever I m never gonna sever this bond

Dsus4

Whatever the weather, whether it s cold or hot like the nether

Cadd9

Whatever

That s what I say to them creepers

G

Get out my face, get out my house, it s a keeper

Em7

I m a sleeper, no fear when I m sleeping

Dsus4

I don t hear the peep or the gurgle from an endearing Enderman

Cadd9

I m tellin you it you and me to the end man

G

All these diamonds that I wanna spend man

Em7

Dsus4

Get you some good looking blocks, that s the trend man

Cadd9

I do it only because you re my friend, man

G

And I ll be saying that all night

Em7

It s the truth I wouldn t say it if I didn t know

Dsus4

For you? I d put up a fight, happy to say

Cadd9

This is my biome

G

It s what I call home

Em7

Dsus4

All of my time I ve spent building you

Cadd9

From the moment of spawn

G **Em7** **Dsus4**
Whenever I log on I know it will always be me and you
Cadd9 **G**
And If I ever lose you then that s it
Em7 **Dsus4**
So Imma save your file I ll never miss
Cadd9 **G**
And all those other worlds will never get
Em7 **Dsus4**
I wish you had some lips that I could kiss
