

Cloud Of Dust
Brad Paisley

CAPO ON THE FIRST FRET.

INTRO: **D G Asus4 A D G/D Asus4 A**

D **G**
West Texas forecast, more of the same
D **Bm** **A**
Sunny and mild, no chance of rain
G **D** **Bm**
That old John Deere Tractor ain t moved in days,
G **A**
Oh, But he s out there climbin back on
G **A** **D**
Cause he s yet to admit that his crops are all gone.

She stares out the window fightin back tears
And watches him wastin his time in the fields
They re havin problems payin the bills
Oh, and she knows that it won t be long before the bank finally places a lien on
the farm

CHORUS

G **C**
And the tractor keeps rollin , the dust rises high
G **D** **Bm** **A**
Creating the only Cloud in the sky
G **C**
He s holdin his ground, but It s gettin tough
G **D** **Bm** **A**
He s keepin his faith in the Lord up above
G **A** **D**
And prayin for rain through a cloud of dust.

repeat intro

VERSE 2.

Yesterday somethin in town caught his eye
The old hardware store had a help wanted sign
He thought about stoppin but he drove on by
Cause he just can t bare to let go
After all it s the only life he s ever known

repeat chorus x2.
