Cloud Of Dust Brad Paisley CAPO ON THE FIRST FRET. INTRO: D G Asus4 A D G/D Asus4 A D G West Texas forecast, more of the same D Bm Α Sunny and mild, no chance of rain G D Βm That old John Deere Tractor ain t moved in days, G Α Oh, But he s out there climbin back on G Α D Cause he s yet to admit that his crops are all gone. She stares out the window fightin back tears And watches him wastin his time in the fields They re havin problems payin the bills Oh, and she knows that it won t be long before the bank finally places a lien on the farm CHORUS G And the tractor keeps rollin , the dust rises high D Bm G Α Creating the only Cloud in the sky G C He s holdin his ground, but It s gettin tough G D  $\mathtt{Bm}$ Α He s keepin his faith in the Lord up above D G Α And prayin for rain through a cloud of dust. repeat intro VERSE 2. Yesterday somethin in town caught his eye The old hardware store had a help wanted sign He thought about stoppin but he drove on by Cause he just can t bare to let go After all it s the only life he s ever known repeat chorus x2. D G West Texas forecast, more of the same D Bm D Sunny and mild, no chance of rain
