

I'll Take You Back
Brad Paisley

(Eb)

When a freight train jumps off a track
And rolls down my road
And it's summer time in Texas
And they're playing in the snow

(G#)

When politicians everywhere stop telling lies

(Eb)

And only state the facts

(C#)

(G#)

Right then, that's when

(Eb)

I'll take you back

(Eb)

Let's say I get bucked off a bull and fall and hit my head
And then I get amnesia and forget the things you said

(G#)

(Eb)

I lose my better judgment and I take up smoking crack

(C#)

(G#)

Right then, that's when

(Eb)

I'll take you back

[Chorus]

(Bb)

Go on keep trying

(G#)

Come on keep calling

(Bb)

You know I like it

(G#)

When you come crawling

(Bb)

It's like music

(G#)

To hear you bawling

(Eb) (C#) (G#) (F#) (Eb)

Waa, waa, waa, waa, waa

(Eb)

When Donald Trump takes a part time job parking cars
When Clint Eastwood does ballet in a big pink leotard

(G#)

(Eb)

And a donkey wins the Derby as he takes his victory lap

(C#)

(G#)

Right then, that s when

(Eb)

I ll take you back

[Repeat chorus]

(Eb)

The day that old morning sun rises in the west

And they pass a law in L.A. banning artificial breasts

(G#)

(Eb)

When cars can run on water, gasoline and oil ain t worth jack

(C#)

(G#)

Right then, that s when

(Eb)

I ll take you back

[Repeat chorus]

(Bb)

It s like music

(G#)

To hear you bawling

(Eb)

(C#)

(G#)

(F#)

(Eb)

Waa, waa, waa, waa, waa
