[Verse]

```
D                      Bm
We didn't care if people stared, we'd make out in a crowd somewhere
A                      G
Somebody'd tell us to get a room, it's hard to believe that was me and you
D                      Bm
Now we keep saying that we're ok, but I don't want to settle for good not great
A                      G
I miss the way that it felt back then, I wanna feel that way again
```

[Chorus]

```
D                      Bm
Been so long that you've forget, the way I used to kiss your neck
A                      G
Remind me, remind me
D                      Bm
So on fire so in love. Way back when we couldn't get enough
A                      G
Remind me, remind me
```
